# TIME TO CHANGE

COVID-19 has changed our habits, daily routines and, of course, our lives... but there is a change at hand!

Camp Captivate is implementing science-based best practices to ensure a safe and fun-filled summer ahead!

”

“We understand that anxieties are high and there is a whole spectrum of comfort levels for parents revolving around sending their children back to school or summer camp amidst the COVID-19 pandemic.”

—Ildikó Stennis (ownere of Camp Captivate)
